

# TENNIS ON THE INTERNET - Associations, Organisations and more

by Miguel Crespo (ITF)

Since our last article on tennis on the internet, the global presence of our sport on the web has increased dramatically. International, National and Regional Tennis Organisations, Associations, Business Companies, Clubs, Tennis Academies, Fans, etc., all over the world are increasingly joining the internet.

Below are some of the more recent new web sites related to tennis including tennis clubs, regional associations and international organisations.

Some of the most famous tennis web sites include the following:

- ❑ The ITF's web site is on [www.itftennis.com](http://www.itftennis.com)
